

# Top five reasons to work with Unify

We know you have choices. Here's why you should choose us.

## 1 Work with a global market leader

- #1 EMEA IP PBX Mid/Large market share (MZA Research 2016)
- Approximately 40 million users across 60 countries
- Ranked 'Visionary' and 'Leader' by top industry analysts
- Trusted by Global Fortune 500 customers

Wherever you are, we are.

## 2 Get the gain without the pain

- Deploy in the way that works for you
- In the cloud, in your data center, on premise, or hybrid
- At your pace, on your budget
- No forced "rip-and-replace"

We know it's not a 'one size fits all' world.

## 3 We make it work, and keep it that way

- Global communications services capability in all regions
- 24/7 single point of contact support available
- Atos CCS Managed Services, Professional Services, Maintenance and Support Services for your digital workplace

Leverage our breadth, depth, scope and scale.

## 4 We enable a better digital workplace

Introducing Circuit. Circuit lets you share knowledge and ideas as naturally when you are apart as when you are together. It provides virtual teams and 'anywhere workers' with high quality voice, HD video, screen share, rich formatted messaging, and file sharing in a single platform with a single application.

"... the Circuit user experience is a great example of how enterprise communications should work and how we as users want it to work ... it redefines how I want to interact, communicate and collaborate as part of daily work."

Michael Brandenburg  
Industry Analyst, Frost & Sullivan

Make your teamwork better.

## 5 Don't just take our word for it

- 'Leader' in Aragon Research Globe UCC and Mobile Collaboration TechSpectrum 2017
- 'Visionary' in Gartner Magic Quadrant 2016 for Unified Communications
- Rated 'Champion' in Info-Tech Vendor Landscape for UCaaS 2016
- Over 3,000 issued and pending patents for innovation

"Unify's ability to deliver industry solutions today and the promise of engaging, socially connected, communications enabled collaboration experiences in the near future moves it into the Leaders quadrant."

The Forrester Wave™:  
Unified Communications And Collaboration

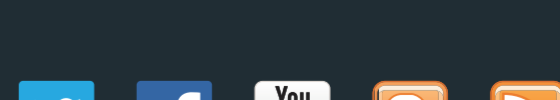

Take your next step – with us.

### About Unify

Unify is one of the world's leading communications software and services brands, providing integrated and collaboration solutions worldwide. Our customers range in size from 5 employees to 500,000+ employees. Our solutions unify multiple voice, video and data networks, connected devices and applications into one easy-to-use platform that allows teams to collaborate effectively and efficiently - anytime, anywhere. The result is a transformation of how the enterprise communicates and collaborates that amplifies collective effort, energizes the business, improves employee satisfaction and enhances business performance. Unify has a strong heritage of product reliability, innovation, open standards and security. Our OpenScape and Circuit communications solutions provide a seamless and efficient collaboration experience - on any device. Together, the group's global team of UCC experts and service professionals set the standard for a rich communications and collaboration experience that empowers teams to deliver better results. Unify is an Atos company.
